I am glad to be back in Bottineau! I want to thank everyone for their warm welcome. The “welcome basket” and quilt were a surprise, but much appreciated gift. Thank you for your thoughtfulness.

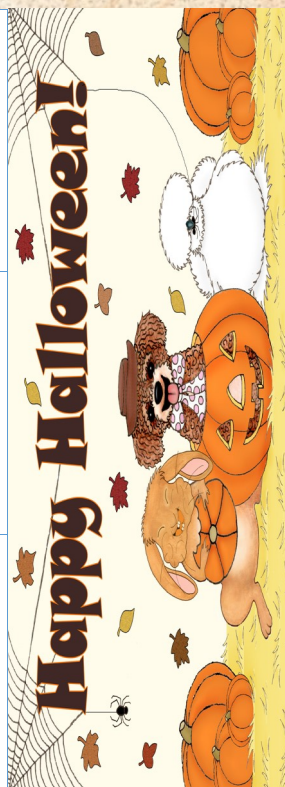

I decided to use take this opportunity to share some of my life since I left the United Parish in 1983. I had three years in Australia and it was a wonderful experience. I gave serious thought to staying, but decided I missed my family too much and did not want to be that far away. When I returned from Australia, I was assigned by the Bishop to Miller, South Dakota. I was there three years and while there I met a rancher, George Engelmann, who I married in December, 1990. I eventually got my doctorate degree in counseling from the University of South Dakota. While living at the ranch south of Ree Heights, I worked for 21 years at Community Counseling Services in Huron, SD. My youngest client was 5 years old and my oldest 93. In addition to individual counseling, I did couples and family counseling, conducted child custody evaluations and psychological evaluations. I was surprised by three things: everybody’s story was so different, the pain of mental illness is great and poverty too often restricts an individual’s opportunities for healing.

During those years, I did considerable pulpit supply. The last three years in South Dakota I served as stated supply for the Presbyterian Church in Wessington, SD. George died in 2013 and in August, 2014, I moved to Sheridan, WY, to be close to my sister, Cheryl, and her daughter, son-in-law and grandkids. Seven years later I moved to Bottineau!

I look forward to engaging in ministry together with each of you as we seek God’s direction for our lives and for the United Parish.

God’s blessing be with you.
Pastor Beth

A Child's Point of View!

The story of Adam and Eve was being carefully explained in the children's Sunday School class. Following the story, the children were asked to draw some picture that would illustrate the story. Little Bobby drew a picture of a car with three people in it. In the front seat was a man and in the back seat, a man and a woman. The teacher was at a loss to understand how this illustrated the lesson of Adam and Eve. Little Bobby was prompt with his explanation. "Why, this is God driving Adam and Eve out of the garden!"
